At Half Price Books, we've been celebrating the **RANDOM** ever since our founding in 1972. And we mean **RANDOM** in a totally good way, as in the **RANDOM TREASURES** you come across when you're browsing our stores — and the **wonderfully random** stuff we buy from the public every day. The **BRAND-NEW HPB.COM** takes it to a new level, with over 150 million used and new treasures waiting to be discovered. In this **CALENDAR**, you'll find books, movies and music collected in some very random ways. The **fun** continues at HPB.COM, where you'll find expanded lists and other quirky categories.

Random is our middle name. (Actually it's price, but go with us here.)
